

Terms and Conditions

The following Professional Services Terms and Conditions (these “**Services Terms**”) apply to the Quote entered into by and between the Customer (as identified on the Quote) and the Service Provider (as identified on the Quote). Capitalized terms used but not defined in these Services Terms have the meanings assigned to them in the Quote.

These Services Terms sets forth the terms and conditions pursuant to which Service Provider will provide certain professional services to the Customer. For clarity, the parties agree that to the extent these Services Terms discusses or involves any activity related to software licensed to Customer pursuant to a separate agreement, nothing in these Services Terms modifies the terms of that license.

1. TERM

Unless terminated as provided herein, these Services Terms commence on the “**Term Start Date**” and continue through the “**Completion Date**” as set forth on each Quote (the “**Term**”).

2. SERVICES TO BE DELIVERED

Service Provider will provide the services and deliverables (“**Deliverables**”) described in the Professional Services Addendum. Those services are a collection of activities which will be performed during the Term of these Services Terms (the “**Services**”). Any additional scope or activities that extend beyond the Services will require an additional Quote. For the avoidance of doubt, the Professional Services Addendum may contain terms and conditions specific to the applicable Services ordered (via a Quote) which terms will have no effect on other Professional Services Addenda.

3. FEES AND EXPENSES

The Services provided under these Services Terms will be billed according to the fee schedule set forth in the Quote. Unless otherwise specifically stated in the Quote, the fees do not include expenses; Customer shall reimburse Service Provider for all reasonable travel, food, lodging, and other out-of-pocket expenses incurred in performance of these Services Terms. Service Provider agrees to comply with Customer’s expense policies, as long as Customer provides those policies to Service Provider with reasonable advance notice and in writing. If any additional work is performed beyond the Completion Date or scope of these Services Terms, the rate will be mutually agreed upon by the parties or if no such rate is established, such work will be performed under Service Provider’s standard rate in effect at the time. All charges and fees set out in the Quote are quoted exclusive of applicable taxes, duties, or similar charges. Customer shall pay all sales, use, withholdings, excise, or other taxes or duties arising out of these Services Terms, provided, however, that Customer will not be responsible for taxes on the net income of Service Provider. Invoices will be sent by electronic delivery unless requested otherwise by Customer, additional fees will apply.

4. PAYMENT

Notwithstanding any provision to the contrary herein, any and all payments required to be made hereunder are to be timely made by the Customer, and no payments to Service Provider will be withheld, delayed, reduced, or refunded if Service Provider has fully and completely performed its material obligations and its inability to meet any schedule requirements is caused by Customer’s failure to provide certain of its facilities, computer resources, software, personnel, or business information as are required to perform these Services Terms.

Customer agrees to provide Service Provider with a valid purchase order, if applicable, promptly upon execution of a Quote. Notwithstanding anything to the contrary herein, any and all terms contained in invoices, purchase orders, acknowledgments, shipping instructions, or other forms exchanged between the parties in connection with the Services will be void and of no effect. Customer’s failure to issue a purchase order or provide such purchase order to Service Provider, however, will in no way relieve Customer of any obligation entered into pursuant to these Services Terms, including, but not limited to, its obligation to pay Service Provider in a timely fashion.

Any late payment will be subject to any costs of collection (including reasonable legal fees) and bear interest at the rate of one and one-half percent (1.5%) per month (prorated for partial periods) or at the maximum rate permitted by law, whichever is less.

5.10. Termination. These Services Terms may be terminated prior to the Completion Date in accordance with the following:

5.10.1. Termination for Cause. Either party may terminate these Services Terms in the event the other party has failed to perform any obligation required to be performed under these Services Terms and such failure is not corrected within thirty (30) days from receipt of written notice advising of such alleged failure from the other party.

5.10.2. Termination without Cause. The Customer may terminate these Services Terms by providing written notice to Service Provider. In the event of termination under this paragraph, an early termination fee will apply that is equal to the fees due during the Term minus the total fees paid for Services at the time of termination.

5.11. Governing Law; Venue. The laws of the State of Texas, USA govern the interpretation of these Services Terms, regardless of conflict of laws principles. The United Nations Convention on Contracts for the International Sale of Goods (1980) and the Uniform Computer Information Transactions Act (UCITA) are hereby excluded in their entirety from application to these Services Terms. The parties agree that the federal and state courts located in Travis County, Texas, USA will have exclusive jurisdiction for any dispute arising under, out of or relating to these Services Terms. Mediation will be held in Austin, Texas, USA.

5.12. Dispute Resolution.

Negotiations. Where there is a dispute, controversy, or claim arising under, out of, or relating to these Services Terms, the aggrieved party shall notify the other party in writing of the nature of such dispute with as much detail as possible about the alleged deficient performance of the other party. A representative from senior management of each of the parties shall meet in person or communicate by telephone within five (5) business days of the date of the written notification in order to reach an agreement about the nature of the alleged deficiency and the corrective action to be taken by the respective parties.

Mediation. Any dispute, controversy, or claim arising under, out of, or relating to these Services Terms and any subsequent amendments of these Services Terms, including, without limitation, its formation, validity, binding effect, interpretation, performance, breach or termination, as well as non-contractual claims, and any claims with respect to the validity of this mediation agreement (hereinafter the "**Dispute**"), shall be submitted to mediation in accordance with the then-current WIPO Mediation Rules. The language to be used in the mediation will be English.

Opportunity to Cure. Notwithstanding anything contained hereunder, Customer agrees and acknowledges that no dispute resolution or litigation will be pursued by Customer for any breach of these Services Terms until and unless Service Provider has had an opportunity to cure any alleged breach. Customer agrees to provide Service Provider with a detailed description of any alleged failure and a description of the steps that Customer understands must be taken by Service Provider to resolve the failure. Service Provider shall have sixty (60) days from Service Provider's receipt of Customer's notice to complete the cure.

Injunctive Relief. The parties agree that it will not be inconsistent with their duty to mediate and/or arbitrate to seek injunctive or other interim relief from a competent court. The parties, in addition to all other available remedies, shall each have the right to initiate an action in any court of competent jurisdiction in order to request injunctive or other interim relief with respect to a violation of intellectual property rights or confidentiality obligations. The choice of venue does not prevent a party from seeking injunctive or any interim relief in any appropriate jurisdiction.

5.13. Miscellaneous. The provisions of these Services Terms together with the documents listed in the applicable Quote constitute the entire agreement between the parties with respect to the subject matter herein and supersede all prior agreements, oral or written, and all other communications relating to the subject matter of these Services Terms. These Services Terms may only be modified or supplemented by a writing manually signed by the authorized representatives of the parties. Each provision of these Services Terms is a separately enforceable provision. If any provision of these Services Terms is held by a court of competent jurisdiction to be contrary to law, the remaining provisions of these Services Terms will remain in full force and effect and will be interpreted, to the extent possible, to achieve its purposes without the invalid, illegal, or unenforceable provision. Any waiver made by either party of any term or condition of these Services Terms will not be deemed or construed to be a waiver of such term or condition for the future, or any subsequent breach thereof. Both parties agree to abide by the export control laws/regulations of the United States and other countries, as applicable. Each party is and will remain an independent contractor with respect to all performance rendered pursuant to these Services Terms. The headings of these Services Terms are provided for reference only and will not be used as a guide to interpretation. All notices under these Services Terms will be in writing and will be considered given as of twenty-four (24) hours after sending by electronic means (such as e-mail as duly provided by the authorized representatives of either party for the said purpose) or by overnight air courier service, or as of forty-eight (48) hours after deposit in the mail (certified, return receipt requested) to the addresses specified on Quote. In no event will either party be liable to the other for any delay or failure to perform due to causes beyond the control and without the

fault or negligence of the party claiming excusable delay, but only to the extent that such delay could not have been avoided by the taking of reasonable precautionary measures. Such causes include, but are not limited to, acts of God, floods, fire, utility failure, acts of terrorism, and war. The terms of Sections 4 and 5 will survive the termination of these Services Terms.

5.14. Country-Specific Terms. The country-specific provisions described in the Country-Specific Terms Addendum replace or supplement the equivalent provisions above as noted therein where the Customer is located in the countries identified in the Country-Specific Terms Addendum and in any case where the law of the jurisdiction listed in the Country-Specific Terms Addendum gets applied.

5.15. Assignment. Customer may not assign these Services Terms by operation of law, change of control or otherwise ("**Assign**") without the prior written consent of Service Provider, and such consent will not be unreasonably withheld. Notwithstanding the language of this Section 5.15, however, Customer may Assign these Services Terms to any person, firm or corporation which, through merger, acquisition by or of Customer or otherwise, succeeds to all or substantially all of Customer's business, provided (i) Customer provides Service Provider with thirty (30) days prior written notice; (ii) the assignee does not compete directly or indirectly with Service Provider; (iii) Customer and any assignee are current in all fees due hereunder to Service Provider; (iv) any such assignee agrees in writing to be bound by the terms and conditions of these Services Terms; and (v) if Customer is the acquired party, the licenses and rights of Customer under these Services Terms will apply to, and may be exercised only in connection with, the operations of Customer as they exist on the date of the acquisition, and the Deliverables, materials, and Confidential Information of Service Provider may be made available only to Customer personnel working in such operations. Any purported assignment of these Services Terms in violation of this Section will be deemed void.
